

U of U School of Dentistry: Family Dental Clinics

Three Components of State Family Dental Clinics:

- Salt Lake City Clinic
- Academy Square (Ogden) Clinic
- Mobile Outreach Program

Populations served:

- Underserved adult and pediatric patients, e.g.:
 - Eligible Medicaid populations
 - others: e.g., Veterans and refugee programs
 - Statewide Mobile grant and regional/local programs

-Historical perspective

Pandemic effect:

- due to fiscal issues, Family Dental clinics/operations required to close August-October 2020
- University of Utah School of Dentistry volunteered to assume responsibility for these clinics and patients *UUSOD network*---**no state cost, but preserve services to needy populations**

-Conditions:

Lease: Renewable 2 year lease; space as is, without modifications

- Assumed responsibility for all
 - equipment and furnishings
- -patients on record (~????)
- Assumed ownership end of October and will open mid-Feb. (Rose Park) and mid March (Ogden) of 2021
